

# Sky Solutions co.

*Innovation in Aviation*

# About Us

**Sky of Solutions** is a premier aviation powerhouse headquartered in Amman, Jordan. We deliver a comprehensive ecosystem of excellence, bridging visionary strategy with technical precision. From integrated consultancy and software engineering to specialized UTM/UAS expertise, we empower regulatory authorities, ANSPs, and airports to navigate the future. We don't just provide support; we are the strategic engine driving the Aviation Strategic Vision into reality.

A key pillar of **Sky Solutions** strategy is **our robust expansion**, supported by strategically located partners as follows:

# Strategy

## Vision

*To be the national and regional architect of the next era of aviation, empowering the industry through sustainable innovation and operational excellence*

## Mision

*Provide data-driven strategies, innovative solutions, and consultancy services enabling aviation stakeholders to navigate regulatory landscapes, optimize efficiency, and integrate future-forward technologies.*
